

Staff Member Highlight

For 2024's first quarter, we want to highlight one of our staff members, Katelyn McNeil. Katelyn has been part of our staff as our Admin Assistant since September 2023. She is the first smiling face people see in our center. She works at our front desk and helps get clients checked in, assists our monthly shoppers, runs our scheduling, manages our store, helps volunteers, answers our phone, and much more. With her social work education, community resource knowledge, and ability to multi-task, Katelyn has been a great fit for this role. We appreciate her dedication and willingness to go above and

beyond for our clients and other staff members. Katelyn has lived in the Hickory area her whole life and currently resides in Conover, NC with her family. Katelyn and her husband, Zach, have been foster/adoptive parents since 2017. The light of Christ shines brightly through Katelyn; we are thrilled to have that light present in our center every day.
