

Walk For Life 2024

Our annual Walk For Life took place on September 28th! Despite the natural disaster that had just occurred, we were still able to gather and walk together as a symbol to our community that we **stand for life!** The Walk For Life is our annual fundraiser for operational expenses so that we can continue to provide services to our clients. We see this as an opportunity to raise funds, gather with each other as the body of believers, and show our community the reason why we walk. We could not continue doing what we do without the unwavering support of the churches, families, businesses, and individuals in our community. We would like to thank everyone who participated, donated, sponsored the event, volunteered, or prayed over this event. Because of the generosity of everyone involved, we surpassed our \$30,000

goal. If you were unable to attend this year, we invite you to join us next year for our Walk For Life in September 2025. We look forward to continuing to see what God has in store for our center as we grow and continue to serve this community!

Pregnancy Care Center Needs List

Please pray and consider these needs.
